

Bug Report

- **Bug ID:** Bug-01
- **Title:** No visible “Enter\Add” button on the web application main page
- **Severity:** Medium
- **Priority:** High
- **Environment:** Chrome 138, Windows 11
- **Steps to reproduce:**
 - 1- Go to <https://todomvc.com/examples/react/dist/#/>
 - 2- Type anything at the writing bar
- **Expected Result:** To find an “Add\Enter” button to press in the UI
- **Actual Result:** There’s no visible button
- **Attachment:**

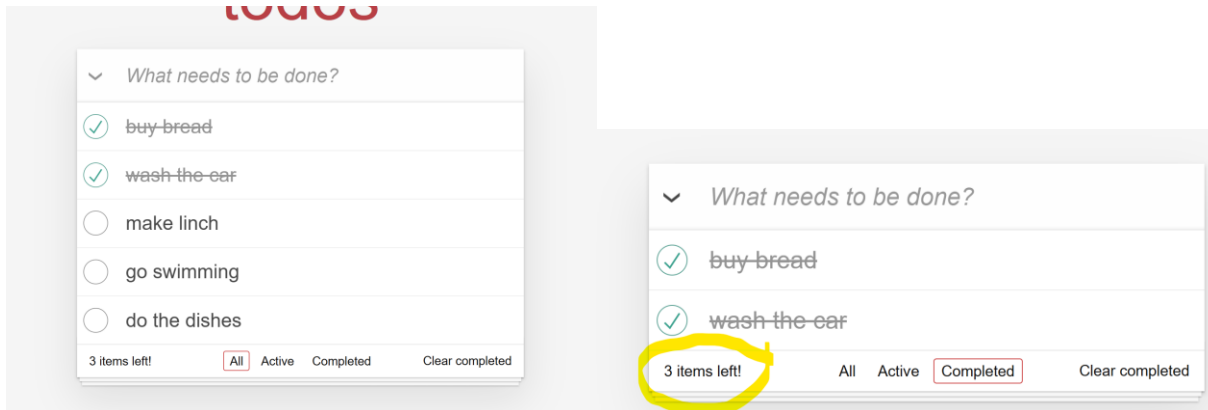

-
- **Bug ID:** Bug-02
 - **Title:** The application only accepts single line writing
 - **Severity:** Medium
 - **Priority:** High
 - **Environment:** Chrome 138, Windows 11
 - **Steps to reproduce:**
 - 1- Go to <https://todomvc.com/examples/react/dist/#/>
 - 2- Type anything at the writing bar
 - 3- Try to start a new line using “shift+enter”
 - **Expected Result:** To start a new line
 - **Actual Result:** When pressing “shift+enter” the app just sets the item as a new task and the written bar clears

-
- **Bug ID:** Bug-03
 - **Title:** App only shows number of the left items to me completed
 - **Severity:** Medium
 - **Priority:** High
 - **Environment:** Chrome 138, Windows 11
 - **Steps to reproduce:**
 - 1- Go to <https://todomvc.com/examples/react/dist/#/>
 - 2- Create multiple tasks
 - 3- Mark some tasks as completed and some as active

4- Go to the “completed” field and check for the written number

- **Expected Result:** The written number changes as we move between different task filters
- **Actual Result:** Only the number of items left is shown when applying different filters

-
- **Bug ID:** Bug-04
 - **Title:** Can't rearrange the tasks
 - **Severity:** Medium
 - **Priority:** Medium
 - **Environment:** Chrome 138, Windows 11
 - **Steps to reproduce:**
 - 1- Go to <https://todomvc.com/examples/react/dist/#/>
 - 2- Create multiple tasks
 - 3- Try to move them up or down to rearrange them
 - **Expected Result:** Tasks can be rearranged accordingly
 - **Actual Result:** tasks don't move and to move them you must delete and rewrite them
-
